### AVK Product Warranty

AVK Products are covered by a Standard 12 Month Warranty from Date of Installation in the Application Process as per the Information Provided by the End User or Alternatively 18 Months from the Date of Delivery.

The Warranty Coverage on any AVK Product is against Defects in Material and Workmanship.

This Warranty will not apply and become Null and Void to the Following:

- Normal wear and deterioration Incorrect handling and storage Improper installation or maintenance
- Damage caused by accident, abuse, misuse, misapplication, or failure to follow operating instructions
- Damage caused by service performed by anyone other than AVK Certified Service Technician
- Product that has been modified without the written permission of AVK Southern Africa
- If any nameplate, serial number, date stamp or other markings has been removed or defaced
- Any item concerning the Warranted Product's appearance that is not due to a defect in material and workmanship
- Damage caused by natural disaster

Should you require any additional information or clarification feel free to contact our Organisation immediately.

Kind Regards

Stanley Steenkamp  
Managing Director

Directors: Patrick Jantjies and Willie van Zyl
